Seller comments:

Seawatch is an incredible work platform, a 125t multipurpose catamaran kitted out with a heavy lifting crane, 10t deck winch and a 10t A frame. The accommodation is a huge benefit to most teams sleeping 15 in 7 comfortable bunk rooms. Large galley/mess great spot for meals/briefings etc. 20,000l fuel give Seawatch a substantial scope of travel burning meagre 120-130lphr running both mains and genset. A proven dive vessel Seawatch has been on more epic trips than can be counted including Auckland Island and Chatam Islands and around the Pacific.

Broker comments:

Well proven multi-purpose work vessel with excellent accommodation and equipment.
